Dear Louis:

Having returned from our fascinating trip through seven West European countries may I convey to you my deep gratitude for your wonderful hospitality. Our life in Denmark was just like a beautiful dream plus a most stimulating linguistic experience. The discussions with the friends from our Linguistkredsen was for me the most dramatic and instructive course I passed through. I hope very much that our resumed personal contact will still deepen and give still more results in the field of scholarly cooperation if only the clouded atmosphere will not hinder this rise.

Now I go to a Czech farm in New York state for a bit of relaxation after the extreme tension of the life during our journey and I hope to complete there with Lots our Primer of Phonetics.

Accept our best summer wishes to both of you.

Cordially and sincerely yours,

Roman
