to find some place where she can stay while in Copenhagen. Could you by any chance recommend an inexpensive hotel, preferably in the Ø district? Michelle will be staying with friends in Østerled, so Miss Norman would like to be living at a place within fairly easy reach — so that she can go there easily for the rehearsals which they will have to have every day.

If you could make any suggestion for a suitable hotel, I should be grateful.

Michelle & Miss Norman will be arriving at Copenhagen (from Oslo) on the evening of Tuesday, April 5th. I expect they will be fully occupied with rehearsing on the 6th & 7th, but after the concert they will be free to visit friends.

I will certainly tell Michelle to ring you up when she arrives.

Best regards to Mrs Hjelmslev
& yourself

Yours sincerely

Daniel Jones

I forget if I told you that my daughter's profession name is Michelle Carter.
