Dear Professor Hjelmslev,
Mr Gylling, of Wilhelm
Hansen's Concert Agency,
Gothersg. 11², Copenhagen, is
arranging for my daughter
Michelle Carter to give a violin
recital on April 8th, 1949, in the
small Oddfellows Hall. As he
requires most of the expenses to be
paid in advance, I should be much
obliged if you would kindly send
to him (Gylling) the sum which I
left in your charge — Kr. 830
wasn't it? (Or is there a little to be
deducted from this on account of the
25 extra copies I had of "Chronemes
& Phonemes" — I asked for 75
copies instead of 50.)

27/49, 1

I hope things are going well with
you & that you had an enjoyable
& profitable time at those
congresses.

Please give my very kind
regards to Mrs Hjelmslev.

Yours sincerely

Daniel Jones
