Dear Professor Hjelmsov:

In order to alleviate some of the difficulties in gaining access to the literature in logic and methodology we are attempting to build up a collection of reprints for the use of both faculty and students.

Accordingly, we should greatly appreciate your sending us any of your reprints in this area which may still be available, and we hope that you will put us on your mailing list for future distributions. Also, if you have on hand a copy of your bibliography, we should be most grateful if you would include that, too.

Thank you very much for your cooperation.

Sincerely yours,

Alfred Tarski
