Dear Sirs, Professor Louis Hjelmslev: PROLEGOMENA TO A THEORY OF LANGUAGE

On the suggestion of Mrs. Edith Killerich of A/S Bookman, we are writing to you with regard to the Buenos Aires University Press's interest in this.

If the Spanish world translation rights are still available and you are willing to let us work on their placement on the usual 10% agency commission basis, please send us a reading copy of the English edition and we shall do our best to obtain a good offer from the publisher who asked for it and who is one of the most important publishing enterprises of Latin America.

Looking forward to your early reply, we remain,

Yours sincerely,
