Our Tjralie got off to whelmed by this year*

program, with a fine start, the enormous student

Collinder as visiting professor, though I must say we are a bit over- demand for linguistics here

\$ext summer I plan to return £0 Europe, specifically to Hungary, though I should like'to pass through Denmark again if possible, since the linguistic atmosphere is so stimulating there.

By the way, Hakulinen wrote to me about your visit to Pinland, and I am very curious to get your impressions* Did you hanpen to meet Lauri Posti? We are considering inviting him here for 1948-49* How did Finnish linguistics strike you? ' ! i Could you please do me a favor: please send me the private address of Professor Gr^nbech, which I seem to have mislaid somehow after I had the Turkish book sent to him by the pub- lisher* I should like to writs to him too.
