unsure, *Louis Hjelmslev og hans kredts,*

An International Congress for Logic, Methodology and Philosophy of Science will be held at Stanford University, Stanford, California, U.S.A., from August 24 to September 2, 1960, under the auspices of the International Union for History and Philosophy of Science. The proceedings of the Congress will be organized into the following eleven sections: 1. Mathematical logic. 2. Foundations of mathematical theories. 3. Philosophy of logic and mathematics. 4. General problems of methodology and philosophy of science. 5. Foundations of probability and induction. 6. Methodology and philosophy of physical sciences. 7. Methodology and philosophy of biological and psychological sciences. 8. Methodology and philosophy of social sciences. 9. Methodology and philosophy of linguistics. 10. Methodology and philosophy of historical sciences. 11. History of logic, methodology and philosophy of science. The proceedings will consist of a number of invited addresses, in addition to brief contributed papers. The closing date for contributed papers is March 1, 1960. Information about membership fees and other details will be given in a later notice. If you are interested in attending the Congress or in submitting a paper for one of its sections, please return the enclosed post card at your earliest convenience. It would be appreciated if you would bring this notice to the attention of any other interested persons. All questions concerning the Congress should be addressed to Professor Patrick Suppes, Serra House, Stanford University, Stanford, California, U.S.A.
