GENERAL INFORMATION The Meetings of the Congress will be held at the University of Copenhagen, Frue Plads. Membership. The subscription for membership to the Congress is 30 Danish Crowns. Members are requested to send in their subscriptions to the Treasurer as early as possible, and not later than July 1, 1938. As soon as the Treasurer has received the subscription, membership cards will be forwarded to the subscribers. Holders of Membership Cards are entitled to speak and vote at all meetings of the Congress, to receive copies of the Proceedings, and to purchase other publications of the Congress at Member's price. Associates. Not more than two relations of any Member may be registered as Associates and obtain a card at half-price (15 Danish Crowns). Associates may attend meetings, excursions, and receptions, but may not speak or vote, and will not receive the Proceedings. Visa. In countries, from which a visa is required for entry into Denmark, Members of the Congress will obtain visa free of charge upon presentation of their membership cards at the nearest Danish consulate. Facilities offered to Members. At the time of the Congress Copenhagen is visited by tourists from all parts of the world. In order to avoid possible difficulties in travelling, booking of hotel rooms, etc., the Wagons-Lits/ Cook (Thos. Cook & Son) has undertaken to arrange these

1) On a question specially announced: not more than 30 minutes. 2) On recent advances of knowledge, especially in the country where the Congress is held: not more than 20 minutes. 3) On organization of study and research: not more than 20 minutes. Other subjects than those indicated in the list of sections are not excluded. Communications which have already been published will not, except in special cases, be accepted by the Organizing Committee, and no communication will be read from a member of the Congress who is not present at the Meeting, except by special permission. Communications must be composed and read in one of the established Congress languages, i. e. English, French, German, Italian, or Spanish. Not more than three communications may be read by any member. Every communication should be sent to the Secretary General of the Congress, Nationalmuseet, 10, Ny Vestergade, Copenhagen K., who will refer it to the appropriate section, and (in the event of acceptance) will notify the author of the date and place at which it is to be read. Authors of communications are requested to send to the Secretary before June 1st: 1) the title of their communication and two copies of a summary of their paper (about 250 words) for publication in the Press and in the Proceedings of the Congress; 2) full details as to diagrams, lantern slides, films, or speed, with which the paper is to be illustrated. CUSTOMS REGULATIONS Members of the Congress who wish to exhibit scientific films or specimens, may sign a bona fide declaration before the President of the Congress, stating that they intend to reexport the said objects after the Congress. They will then be allowed to import the objects into Denmark free of duty, upon presentation of their membership cards to the Customs Officer on their arrival. SECTIONS OF THE CONGRESS In accordance with the Statutes the work of the Congress will be distributed among sections, which are provisionally as follows. Each section has been organized by a Danish Chair.
